

MERRYFAIR®

FILA

Seating Products

Seating Excellence at Work

The Fila chair is a versatile, multi-purpose seating solution ideal for hotels, conventions, banquets, and events. It is designed to accommodate a large number of seats and can be quickly stored away after use.

Polypropylene Shells

Robust and Versatile Seating Solution:

Durable and Soil-Resistant

Engineered for rigorous outdoor use, with a hard-wearing surface that resists dirt and stains.

Customizable Color Options

Choose different colors for the seat shell and back to craft distinct and eye-catching color combinations. Alternatively, select uniform muted colors for a more streamlined appearance.

Drainage Hole

Models 883 & 887 include a drainage hole to effectively clear rainwater from the seat.

Padded Textile

Comfort and Texture:

Warmth and Coziness

The design feel, enhanced by its organic texture.

Enhanced Padding

The seat pad features clever shaping to provide extra thickness and comfort.

Easy Maintenance

Seat and back pads can be effortlessly removed and replaced using screw and Velcro fastenings, requiring no special skills or tools.

Effortless Assembly and Sleek Aesthetics:

Quick, Tool-Free Setup

Legs interlock seamlessly in seconds without the need for tools or additional brackets.

Unified Look

Overlapping design makes the legs appear as a single, cohesive unit, reducing visual clutter and enhancing the chair's sleek profile.

Fila's innovative Ready-Link legs allow for fast and seamless chair connections.

Optional Upholstery

Upholstered with polyurethane cut foam, which is recyclable into carpet padding, wadding, and other materials.

Main Shell

Injection-molded shell in white or charcoal (100% recyclable).

'Ready Link' Leg Base

Crafted from durable, glass fiber-filled polyamide (Nylon) in a charcoal color, the single-piece design of the legs enables easy ganging and stacking.

Optional Seat Shell

Injection-molded polypropylene in choice of 5 standard colours (100% recyclable).

Main Shell

Injection-molded glass fiber filled polypropylene shell in white or charcoal (100% recyclable).

Optional Upholstery

Upholstered with polyurethane cut foam, which is recyclable into carpet padding, wedding, and other materials.

Optional Leg Base

Mild steel framework, finished in silver-colour epoxy coating.
